Program at a Glance

Structure: Daily morning lectures with presentations of the participants. In the afternoon company visits / points of interest in and around Karlsruhe. In the evening barbecue and cultural events.

Topics: Cross cultural experiences, global and local industry, river Rhine, Health Care, nuclear energy.

Eligibility: Students (bachelor level, first year) from KIT and students from foreign partner universities. Areas of study: Business Engineering, Engineering, Economics, Business Studies and related courses.

Dates: June 14th — June 18th 2010.

Language: English.

Cost: Meals (3-15€ each, depending on the location), local transport (5-25€), ballet (5€); KIT tries to rise funding.

Your Commitment: Participation at all points of the program is required; for single events, exemptions are possible if indicated immediately at the registration. We must buy tickets in advance.

Registration: By e-mail to international.relations@wiwi.kit.edu, before May 16th. Please indicate your semester and your home university.
