8. Q&A

Key Facts about KIT-Department of Economics and Management

The KIT-Department of Economics and Management (WiWi) is a leading institution in its field, with industrial engineering consistently ranked in the **top 3** by WiWo since 2010. With a vibrant student community of over **3,500 students**, the department is one of the biggest at the KIT. Students benefit from a broad selection of over **200 courses** taught in English, making it an ideal place for international learners.

The department is supported by a dedicated faculty of **39 full professors** and fosters a thriving research culture, with **300 doctoral students** currently contributing to groundbreaking projects. In 2023 alone, KIT saw **49 successful start-up** launches, demonstrating the department's commitment to innovation and entrepreneurship.

We are home to 10 renowned institutions and research groups, each specializing in various aspects of economics, business, and management, offering a diverse and comprehensive academic experience.

The Examinations Office is the office of the Examination Board of a degree program. It supports the examination board or its chairperson in all matters that fall within its remit. In addition, it offers advice and services for students and KIT institutes on questions regarding the SPO of a degree program or general administrative matters of the examination system.

Also for the exchange student, the examination office is responsible on advising on general examination questions:

- Questions about study and examination regulations
- Special cases of exam registration and deregistration (courses offered from other departments)
- Advice on examination questions

[Course catalog in the Campus Management System: KIT Department of Economics and Management](#) (This is where you can find the schedule and locations of the courses.)

Some useful hints

- Be flexible! It is common and possible to make changes to your Learning Agreement after arriving in Karlsruhe / during the semester.
- Some courses, especially the seminars, require registration on [WIWI-Portal](#). Be quick – seminars offer only a limited number of seats, and some are very popular among students.

T

8.95 Course: Fundamentals of Production Management [T-WIWI-102606]

Responsible: Prof. Dr. Frank Schultmann
Organisation: KIT Department of Economics and Management
Part of: M-WIWI-101437 - Industrial Production I

Type	Credits	Grading scale	Recurrence	Version
Written examination	5,5	Grade to a third	Each summer term	1

Events					
ST 2025	2581950	Fundamentals of Production Management	2 SWS	Lecture / 	Schultmann
ST 2025	2581951	Übungen Grundlagen der Produktionswirtschaft	2 SWS	Practice / 	Frank, Braun
Exams					
WT 24/25	7981950	Fundamentals of Production Management	Schultmann		

Legend:  Online,  Blended (On-Site/Online),  On-Site,  Cancelled

Competence Certificate

The assessment consists of a written exam (90 minutes) (following §4(2) of the examination regulation). The exam takes place in every semester. Re-examinations are offered at every ordinary examination date.

Prerequisites

None

Please pay attention to:

- Recurrence, whether the specific course is offered in the semester which you study at KIT
- Language: English or German
- **LV Code: T-WIWI-102606, not the event number 2581950 (essential to Learning Agreement).**
- One Course (Teilleistung) contains lecture, practice, tutoria

Lecture (in German: Vorlesung):

- Big room with many students. Less interaction
- registration is not necessary, but you have to add the lectures in your “Study Plan” in the Campus Management System, so that you can register the exams later on.

Tutorial

- supplementary offering to lectures that covers a large amount of material. Senior students (so-called tutors) supervise groups of 10–20 participants
- Here, students can solve exercises independently and have more time for their own questions. Registration necessary via Campus Management System / Ilias / During the first lecture hour

Seminar

- Students work on a particular topic, write about it and prepare and present it to the group

Practice (in German: Übung)

- a type of class designed to complement lectures. It typically involves practical exercises, problem-solving, and discussions to help students better understand and apply the materials covered in lectures. And it is carried out by a lecturer

4.2 Non-curricular Courses (ÜQ/SQ-Leistungen)

- **German courses:** KIT Studienkolleg

Registration period for the winter term 2025/2026: **23rd October 2025 online via Campus + Lotary:** 24th October 2025. International students currently enrolled at KIT are entitled to one German course per semester free of charge.

- **Other language courses:** KIT Sprachzentrum

Registration: **April 14 (9:00 am) - April 15 (3:00 pm)**

You can apply for a **maximum of 2 courses**. **One free course per semester. Remember to register early for next semester!**

- **FORUM – Studium Generale. Forum Wissenschaft und Gesellschaft**

Forum provides interdisciplinary courses and programs that integrate cultural studies with practical applications, promoting global cultural competencies and interdisciplinary research. Registration **from October 16 2025 at 12:00 possible**

- **House of Competence (HoC):**

Offers a variety of soft skill courses and training programs to enhance students' competencies in areas such as communication, leadership, and personal development. Registration period: October 21, 12:00 to October 24, 12:00.

- If you have taken FORUM, HoC, or language courses and/or seminars, please go to “ÜQ/SQ-Leistungen” in the Campus Management System in “Exam Registration and Unregistration”. Here are the courses that are not listed in the ToR yet. You can click on “assign” to add them to your ToR.
- The brick “Self-Booking-HOC-SPZ-ZAK-STK-Graded” or “Self-Booking-HOC-SPZ-ZAK-STK-Ungraded” must be chosen beforehand in the study schedule for the module “M-WIWI-104910 - Interdisciplinary Qualifications” in the section “Other KIT-Departments Courses and Interdisciplinary Qualifications”.

4.3 Course Registration

- Only seminars require registration via the WiWi-Portal. Please pay attention to the **registration deadline**.

If there are still spots available after the deadline, please contact the seminar coordinator to ask whether late registration is possible.

- While lectures do not require prior registration, you must include them in your study plan via the KIT Campus Management System (**s. next slide**) if you intend to take the corresponding examination.

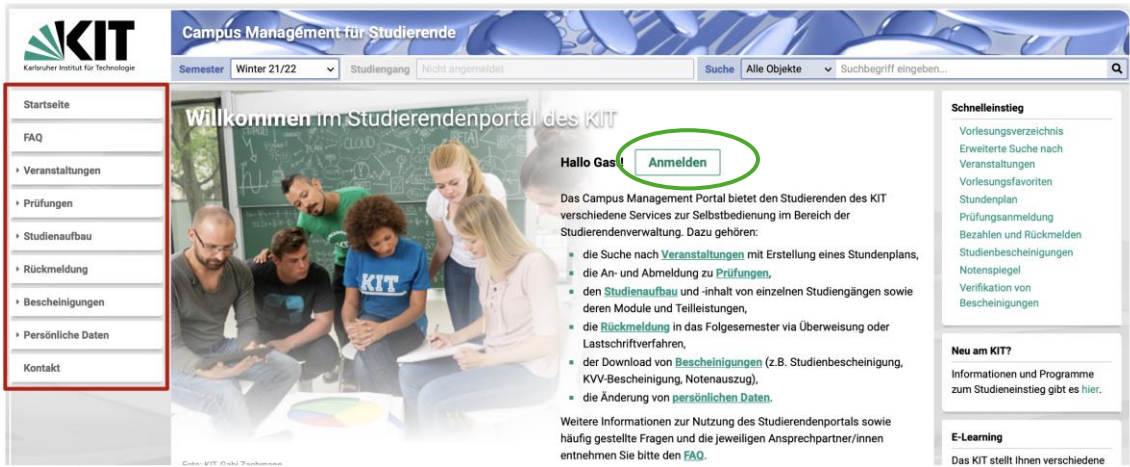

- If it doesn't work out with the registration on WiWi-Portal, please contact the corresponding lecturer or his / her institutes directly.

4.4 Learning Agreement

Requirements for filling out your Learning Agreement

The minimum ECTS points of your Learning Agreement for each exchange semester at WiWi Department are **15 ECTS**.

At least **70%** of your total credits must be courses **you find in the module handbook for non-degree students from the KIT-Department of Economics and Management**. The rest can be chosen freely from the KIT-wide course offer. The rest of the courses can be chosen freely from other KIT departments / faculties.

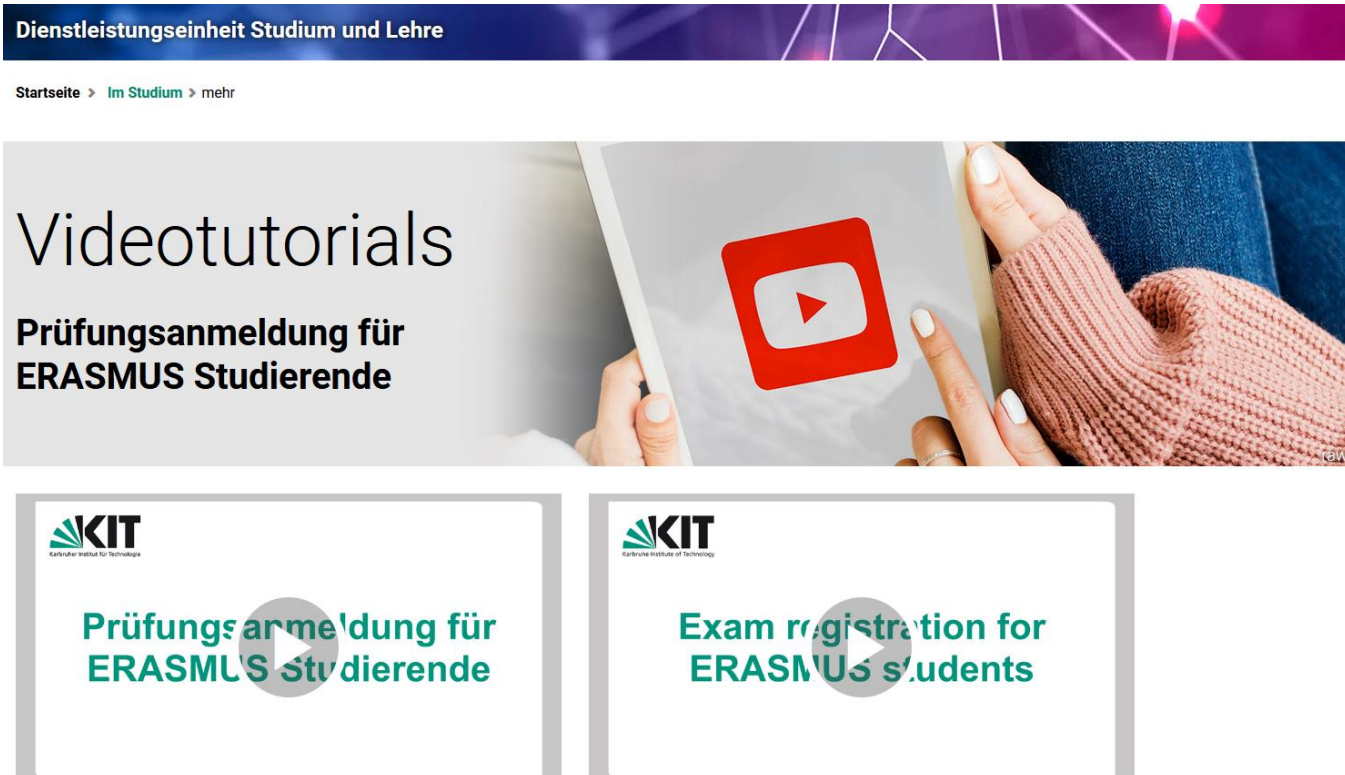

You can attend both Bachelor's and Master's courses but you have to check with your home university if the recognition is possible.

Please choose only courses from the current semester. Some courses are offered only once a year – either in the winter or summer term

You can change or update your Learning Agreement **within two weeks after the start of the lecture period**. Changes after that are only possible under certain circumstances

If your university already uses the EWP (Erasmus Without Paper) system, please first submit your Digital Learning Agreement (DLA) via your home university's portal. Once your home university coordinator has approved and signed the DLA, it will be transferred to Mobility Online. In this case, the Learning Agreement in PDF format will not be signed

Video tutorials for Erasmus students

If you don't need the **post-exam review appointment**, please let the examiner or his office know. Otherwise you will have to wait for the publication of your grades.

Lectures, Tutorials

- Exams typically cover the material from lectures plus exercises – explicit registration for the exam is required
- Exams are normally written, after the lecture period
- You can only retake the exams if you don't pass the exam
- **Please make sure that the appointment for the retake examination aligns with your return date, or that you are able to retake the exam orally online after your return..**

Seminars

- Grading a seminar typically involves several components, e.g.:
 - Participation in group work / projects
 - Presentations
 - Written assignments

Additional requirements

- For some courses there are additional requirements, e.g.:
 - Compulsory attendance
 - Registration for exams at the institute in addition to regular registration
 - Additional assignments during term: Please follow the instructions given by the lecturer!
 - If you are going to take an exam which is not offered by WiWi department, you need to fill out a [formular](#) and send to the examiner for his / her signature

Exam Dates

→ Online: on the website of the department

<http://www.wiwi.kit.edu/pruefungstermine.php>

If the exam date is too late for your schedule

- Please ask the examiner at the beginning of the semester whether an earlier date for an oral exam or an online exam is possible by way of exception (this is only very rarely possible)
- If that's not possible: choose another course.

Find more Information regarding examinations [here](#).

5. Platforms for Your Study at KIT

1. KIT Campus Management System (CAS)

- change your address to Karlsruhe's address
- print out your study certificate (in German language for the registration as Karlsruhe resident/city)
- print out the public transportation pass
- Download your Transcript of Records (ToR)
- Disenrollment
- Course Catalogue (in German: "Vorlesungsverzeichnis") complements the module handbook and provides up-to-date information on various event data (e.g. time and place of the course) for each semester. Make sure to choose the right semester.
- This platform is for all the KIT students

The screenshot displays the KIT Campus Management System (CAS) interface for the Winter Semester 2024/2025. The top header features the KIT logo (Karlsruhe Institute of Technology) and the title "Campus Management for Students". Below the header, a navigation bar includes a "Term" dropdown set to "Winter 24/25", a "Study Prog." dropdown, a "Not logged in" status, and a search bar with "All objects" selected and a placeholder "Enter search term...".

The main content area is titled "Course Catalog (WS 24/25)" and lists the departments for the "Winter Semester 2024/2025". The departments listed are:

- KIT Department of Architecture
- KIT Department of Civil Engineering, Geo- and Environmental Sciences
- KIT Department of Chemistry and Biosciences
- KIT Department of Chemical and Process Engineering
- KIT Department of Electrical Engineering and Information Technology
- KIT Department of Humanities and Social Sciences
- KIT Department of Informatics
- KIT Department of Mechanical Engineering
- KIT Department of Mathematics
- KIT Department of Physics
- KIT Department of Economics and Management

A left sidebar contains a menu with the following items:

- Homepage
- FAQ
- Events (highlighted with a green bar)
- Course Catalog (highlighted with a green bar)
- Audience Circles
- Extended Search for Events
- Booking of Events
- Event Favorites
- Timetable and Calendar Overview
- Internet Calendar (WebCal)
- Examinations
- Study Program Structure
- Re-Registration
- Certificates
- Resources

5. Platforms for Your Study at KIT

2. Ilias

Access via ilias.studium.kit.edu using your KIT account.

Distribution of Learning Materials: Instructors can upload lecture slides, scripts, videos, exercises, and other digital content.

Forums, chats, and group workspaces allow interaction between students and instructors.

Notensystem

Note	Deutsch	Englisch
1.0 - 1.3	Sehr gut	Very good
1.7 - 2.3	Gut	Good
2.7 - 3.3	Befriedigend	Satisfactory
3.7 - 4.0	Ausreichend	Sufficient
4.7 - 5.0	Ungenügend/Nicht ausreichend	Fail

Survival Rules for Your Studies at WiWi Department

The lecture time here is short, you will do a lot of self and group learning

Check the examination schedules in time, so you are able to take them before your leaving

Get in touch with the local students and ask for help if necessary

There are plenty of services around you, get use of them!

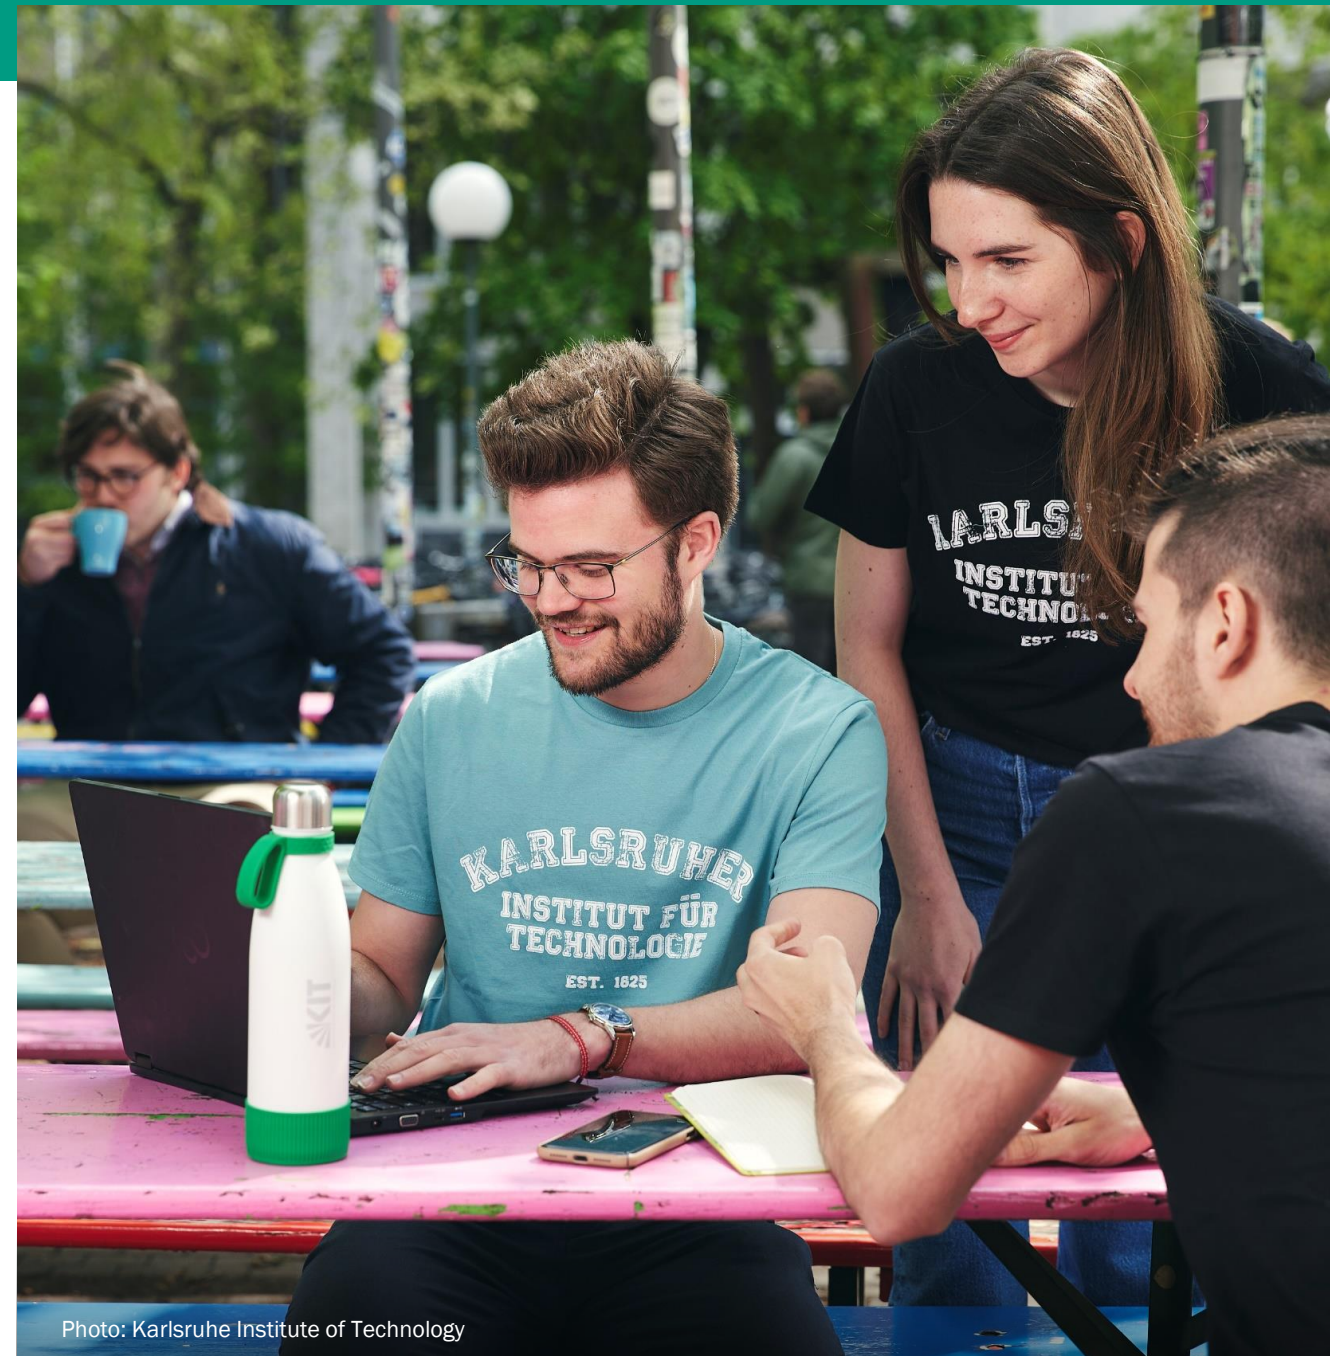

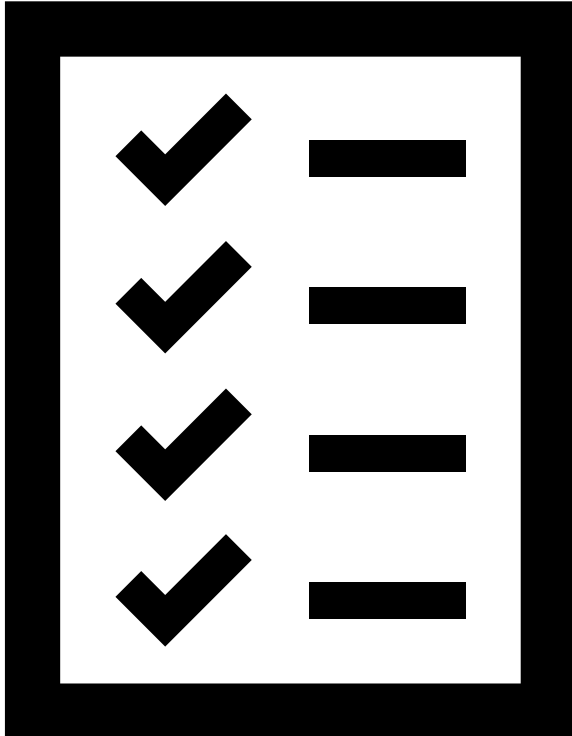

Photo: Karlsruhe Institute of Technology

- **Living Costs**
- **Accommodation and Transportation**
- **Student Life & student organization**

Why Karlsruhe?

- Located in Karlsruhe, KIT provides convenient access to major European cities such as Paris (2 hours 40 minutes by train), Zurich (2 hours 40 minutes by train), Amsterdam (5 hours 30 minutes by train), and Berlin (6 hours by train)
- With around 300,000 inhabitants, Karlsruhe is the third-largest city in Baden-Württemberg, offering a wide range of leisure and cultural activities. Additionally, Karlsruhe is a safe city with easy access to biking, whether around the city itself or in its green surroundings
- New study: Karlsruhe is the city with the best English skills

Living Costs

The cost of living in Karlsruhe is moderate compared to other major German cities. On average, exchange students should budget around **€650 to €1,100 per month** to cover essential expenses. Here's a rough breakdown:

- **Rent (including utilities):** €350–€600 (depending on location and type of accommodation)
- **Food and groceries:** €200–€300
- **Leisure, clothing, and personal expenses:** €100–€200

Besides these costs, you have to pay the semester ticket and health insurance (if not already covered).

Find accommodations (as soon as you are admitted)

- ✓ Living and Learning in Karlsruhe
- ✓ Studierendenwerk Karlsruhe
- ✓ Studienstart am KIT (only in German)
- ✓ <https://www.wg-gesucht.de/> (only in German)

Pamphlet provided by the Baden-Württemberg Police about Scams offers when looking for an apartment

IStO's list of common abbreviations used in apartment advertisements

Transportation

- Use the KVV-net everyday from 6 p.m. to 6 a.m. and every weekend and on Holidays for free with your KIT card and your KVV certificate (you can download it from Campus Management System)
- Studikarte of KVV: €229 /semester (6 months); throughout the KVV-net, If you want to travel outside these hours
- Next-Bike for free for students
- Deutschland-Ticket: €52/month; D-Ticket JugendBW (365 Euro / year): throughout Germany for all means of local public transport (not IC, EC, ICE)

Public holidays in Baden-Württemberg

In Germany, both public holidays and school holidays differ from one Federal State to the next. Karlsruhe is located in the state of Baden-Württemberg, which means the following public holidays apply, along with certain protective regulations.

Public holidays 25/26

- New Year (January 1)
- Epiphany (January 6)
- Good Friday (April 3, 2026)
- Easter Monday (April 6, 2026)
- Labour Day (May 1, 2026)
- Ascension of Christ (May 14, 2026)
- White Monday (May 25, 2026)
- Corpus Christi (June 4, 2026)
- German Unity Day (October 3)
- All Saints' Day (November 1)
- First and Second Christmas Day (25/26 December)

Please note that the super markets are closed on Sundays and on those public holidays.

In addition to these public holidays, there is a **KIT Christmas break** from December 24th to January 6th. Also, there are no lectures during the “semester holidays”/lecture-free period, but there might be exams.

Hochschulsport (sport offers)

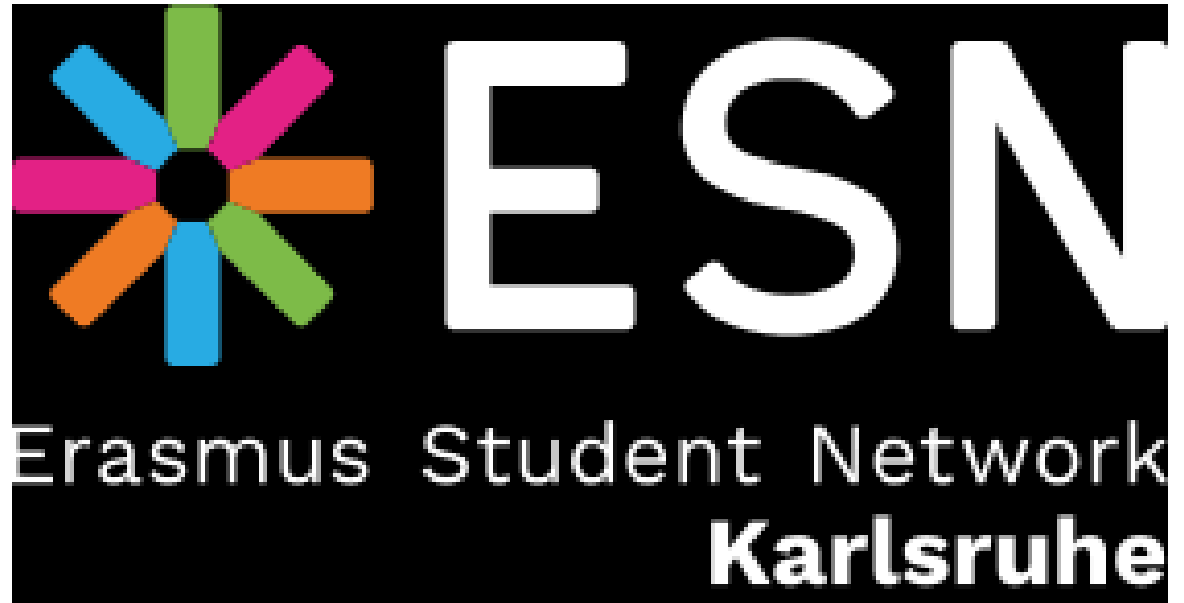

https://buchsys-hsp.ifss.kit.edu/angebote/aktueller_zeitraum/index.html

You have to firstly book your contribution
„Semestersockelbeitrag“ (10€ one per semester)
Booking start basic contribution: **tba:**
<https://www.ifss.kit.edu/hochschulsport/english/sports-offer.php>
Courses start: October 27, 2025

**!!very popular and booked out quickly, “therefore
„first come, first served“!!**

- [ESN Buddy Program](#): Platform for encounters between exchange students from all over the world and local students

AStAKIT

Why Join?

As an ambassador, you play a vital role in inspiring and informing future exchange students about the opportunities of study at KIT Department of Economics and Management. Your experiences, insights, and enthusiasm can help us welcome even more students from your home university in the future!

What Can You Do as an Ambassador?

- ❖ *Share Your Experience – Talk about your exchange journey with fellow students at your home university.*
- ❖ *Promote Our Programs – Introduce students at your home university to our exchange opportunities through presentations at International Days of your home university, social media, student fairs or privately.*
- ❖ *Answer Questions – Help prospective students by sharing insights about studying at our department and life in Karlsruhe.*
- ❖ *Stay Connected – Collaborate with us to support exchange initiatives and build an international network.*

What's in It for You?

*As a token of our appreciation, you will receive an **exclusive Ambassador Package** with merchandising articles of KIT and information materials to support your role and represent us at your home institution. Also, you will receive a certificate for being the ambassador for us.*

Interested?

If you're excited to be part of this initiative, let us know! We look forward to having you as a valued ambassador and spreading the spirit of international exchange together.

Contact us at International.Relations@wiwi.kit.edu to sign up!

Thank You for Your Attention!
We Wish You a Good Start to the Winter Term 25/26
at KIT Department of Economics and Management!
