### Learn about:

#### Explore SAP - Discover Your Future

Margit Herrler and Anja Wölfel are Campus Strategy & Engagement Leads for the DACH Region. They have been with SAP for over 20 years and will talk about how you can join us, how it is to work at SAP and show you the different career opportunities and paths you'd be able to take.

#### Innovation at SAP

Oliver Gutzeit IT Senior Manager & Leader of SAP's Experience Technology Team, will introduce you to the topic of innovation at SAP.

#### Developing for Developers – ABAP Platform

In this presentation, Anna Seitz (Development Manager), Andreea Coaja (Developer Associate) and Laura Nell (Developer) will explain you how ABAP forms the backbone of the modern business landscape.

#### Marketplaces & SAP Discovery Showroom Experience

We wrap up the afternoon with various themed marketplaces. This will be a great opportunity for you to network with colleagues from different departments and get to know various divisions. In parallel, you can join the SAP Discovery Showroom tour and get a look behind the scenes of how SAP really works. You'll see how CPIT (Corporate Processes and IT unit) uses SAP's own technologies every day, and how we contribute to driving innovation and shaping SAP's global strategy. We hope you enjoy our program and look forward to welcoming you on November 21, 2025.
